BATH THEATRICAL COSTUME HIRE

(est. 1969)

TERMS & CONDITIONS OF HIRE

- All items remain the property of Bath Theatrical Costume Hire.
- Booking is secured with full payment.
- All prices exclude VAT.
- The hire period is either up to 4 days or for the duration of the festival (11th–20th September)
- Collection and return days are included in this hire period.
- A full refund, less a £40 fee, will be issued for any costume cancelled more than 8 weeks in advance of the collection date. No refund will be issued for any booking cancelled within 8 weeks of the collection date. We therefore highly recommend that you do not reserve a costume until you have secured tickets to your event.
- You are responsible for the costumes from the time they are collected from our pop up shop (or delivered to your accommodation) until the time they are returned.
- Costumes are prepared on hangers and protected by garment covers. Costumes **MUST** be returned in the same way, with all the pockets emptied and with the name label **still attached**.
- Costumes not returned on time will be charged £80.00 for each additional day.
- Costumes not returned by the end of the festival will be charged a replacement fee.
- Costumes may **NOT** be cut, altered nor have trimmings, fastenings or embellishments changed.
- Any damage or loss will incur a repair or replacement charge.

We politely request that you refrain from spraying the costumes with any perfume or aftershave as this could damage the fabric and cause lingering smells. Please do not smoke while wearing our costume. If any costume returned retains any of the above smells, a dry cleaning charge will be issued.

We also request that jewellery that could snag the dresses is not worn. Many dresses have been returned damaged due to bracelets being worn which are catching on the dress. Any dress returned with damage will need to be re-made and as such a replacement charge will be issued.

TOP HATS £15.00
